Review by Andy C. in Arlington, TX

Project: Installation of Roof and Repair an Siding on house.

The key here is honesty in a roofer, and with A&M Construction & Roofing this is a big YES! Owner Mario Armendarez helped us navigate the the insurance and we ended up with a brand new roof on a 28 year old house and insurance covered 85% of all that was requested, all thanks to Mario Armendarez Owner of A&M Construction & Roofing. The whole process went so smoothly and I would strongly recommend A&M Construction & Roofing to any home owner.
